

HERB SPRAY FORMULAS

All formulas are subject to change and limited quantities.

All products are adult – self / experimental use only.

Every Single herb can be made into an Herbal Spray Formula.

Every Herbal Formula can be made as Herbal Spray Formula.

Herbal Sprays is an endless method of applying herbs externally to the skin or air.

Note: Most all formulas can be made **"Advanced"** by way of adding hot spices like Oregano & Cayenne as a method to increase circulation. They can be made **"Extreme"** by adding allot of these Hot Spices.

Herbal Spray 1

Herbal Spray 1 is the base of every Herbal Spray

Ingredients: Ocean Minerals, Tree / Herbal Minerals, Tree / Vine fruit Vinegar with Essential Herbal Oils.

Suggested use: Entire Body. Early on some customers made up a saying: "IF" it Hurts, give it a Squirt! This product best used daily for life in my opinion. We use this "spray" formula as a family more than all the other formulas combined. We keep bottles with us and use for every situation.

Herbal Spray 2

Spray II is Spray I with **BF&C** type herbs added with no additional spices. Additional Herbal Ingredients: Burdock Rt., Cilantro, Olive Leaf, Yarrow, Willow Herb, Desert Parsley, Cabbage, Apple / Fruit Cider Vinegar, Pineapple, Black Walnut Buds, Tree Iodine, Blue Cohosh, Black Cohosh, Blue Vervain, Skullcap, Lobelia, Oak Bark, Marshmallow Rt., Mullein, Wormwood, Walnut Bark, Gravel Rt., Red Clover, Chaparral, Licorice Rt., Poke Rt., Peach Leaf, Oregon Grape Rt., Sarsaparilla, Cascara Sagrada, Prickly Ash Bark, Buckthorn, Frankincense, Myrrh, etc.

Suggested use: Can be used on most skin, avoid near eyes.

Herbal Spray 3

Spray 3 is Spray 2 with Hot Essential Oil Spices added, such as Cayenne & Oregano.

Suggested use: Spray none tender skin.

Herbal Spray 3 XXX Extra Hot

Every Herb used externally on the skin and in the air we breathe is an endless experiment on how the human body makes use of herbs. No one has explored this with the Herbal Spray 1 base formula as the carrier. Every great herbal tincture can be blended 1 part tincture to 3 parts Spray 1. It opens up an entirely new way to explore herbal use.

Please read The School of *“Self-Applied”* Prevention Book / Education to read stories written by people who have self-explored with these type of herbal sprays.
